Privacy policy for Markbygden Net Väst AB

Scope and update

Our website address is: **mbnv.se**

We provide this policy with these guidelines to inform how we handle personal data. The policy is to safeguard the rights and privacy required of us as a company and is based on the GDPR regulation (General Data Protection Regulation). This policy covers Markbygden Net Väst AB. We reserve the right to update this policy on an ongoing basis. The current and latest version will always be published here on our website.

What personal data is processed/stored and why

We process personal data when we have a legitimate interest or an otherwise legal basis for processing personal data. This is so that we can conduct our business and fulfill our obligations according to law and agreements towards customers, suppliers and other parties.

We process personal data to maintain the business relationship, ensure guarantees, good service, follow-up and information. Our starting point is not to process more personal data than is necessary and we always strive to use the least privacy-sensitive data. The company requires minimal personal data concerning its customers and suppliers.

Sensitive personal data such as race, ethnic origin, political opinions, sexual orientation, religious or philosophical beliefs are never stored. Examples of the personal data that we process and store are: name, address, e-mail address, telephone number, function/title, contract-related correspondence. We do not store personal data longer than we need based on legal requirements and/or legitimate interest.

Our website

This website contains links to other websites. We are not responsible for the content of such websites nor for their processing of personal data. This website uses cookies. Cookies are small text files that are stored on the visitor's computer and that can be used to follow what the visitor does on the website.

Markbygden Net Väst AB uses cookies to improve certain functions for the user and to measure the number of unique visits to the website and the number of times individual pages are visited. If you do not accept the use of cookies, you can turn off cookies in your browser's security settings. You can also set your browser to prompt you every time the website tries to place a cookie on your computer. Through the browser, previously stored cookies can also be deleted, see the browser's help pages for more information.
